We're Back On!

NEW DATE & TIME!

November 14th Noon-3pm

Tietze Park Center Pavilion

2700 Skillman Its time again for the Sixth Annual National Night Out in Tietze Park. Last year about 800 people attended our National Night Out. Come see what all the fun's about! Due to the time change, our rescheduled event will take place on a mid-day Saturday instead of the usual Tuesday afternoon.

National Night Out is an evening when residents throughout the country come together in their neighborhoods to get to know one another, and generate support for local anti-crime programs and strengthen neighborhood spirit and police-community partnerships. NNO also provides educational materials for children and adults in the community, and we'll have fun doing it!

Due to limited parking, please try to walk to the park if possible. There is parking available in the park, along side streets and at the church next door. Parking along Skillman is reserved for police and fire vehicles and the area will be coned off. Please do not attempt to park there.

If you can't make it, you can participate by celebrating LIGHTS ON!. It only costs pennies a day to leave your porch light on at night. And it's a terrific crime deterrent. We would like everyone to leave their lights on, especially on the night of October 6th.
